June 2, 2006

Greetings, Friends;

Now is the time to really get serious about coming to our fortieth (that's right - our 40th) reunion. Hopefully you received a postcard from us in January and therefore know about our upcoming reunion. If you didn't..... SURPRISE! If you're receiving this letter by USPS, then we do not have an email address for you. If you haven't visited our class website (address shown above), please go and register your name and appropriate personal information. This really helps us keep in contact with you and saves postage, paper and envelopes. Visit our website monthly for nostalgic updates and to update your information if it changes. We can thank Ray Snell for his excellent work in developing and maintaining our class (and "classy") site. It's really something to behold! Besides being a communication portal for reunion purposes, it's also an excellent venue for us to meet and re-establish past friendships.

We're very excited about this particular reunion and have invested a lot of time and energy into making it an event we'll never forget. YOU are a critical factor in making this reunion our best ever! It's also the last one we'll have before we're all "over-the-sixty-hill"! Please try your best to be there with us. Each class member that attends will receive a **special gift** that you'll enjoy for years to come. We'll also have drawings for door prizes.

If you're coming from a great distance and haven't been back to the New Carlisle area for awhile, be sure to visit the Tecumseh campus. The new high school and middle-school buildings are coming along rapidly. You'll be impressed and excited to see the transformation that is taking place. New elementary school buildings are also under construction at their respective locations.

Thank you in advance for your prompt attention to registering and filling out the enclosed questionnaire. An accurate tally of those who will be attending is needed in advance for our caterer, table set-up, the **special gift**, et cetera.

We're looking forward to seeing you again. Making good memories is one of the best things we can do for our future.

Sincerely,

John
